## ABOUT THIS BOOK

This book is an English compilation of 40 sayings (hadith) from the Prophet Muhammad, peace to him narrated by 'Aisha, may God be pleased with her. The narration of prophetic speech is among one of the most important tasks in Islam. Without the preservation of prophetic speech, each generation would be more and more confused as to what it means to live an ethical and moral life in accordance with the pleasure of God. 'Aisha is one of the great hadith narrators who kept the speech of the prophet, peace to him, alive by memorizing his words during his lifetime and teaching them to others after his death. This work is an extension of 'Aisha's legacy.
